

400 SERIES

WING TYPE O-BORE

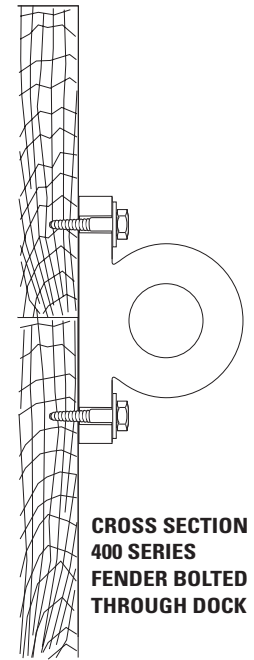

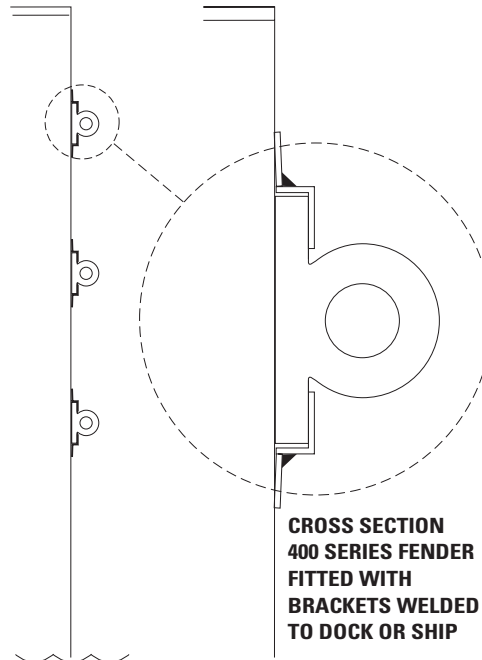

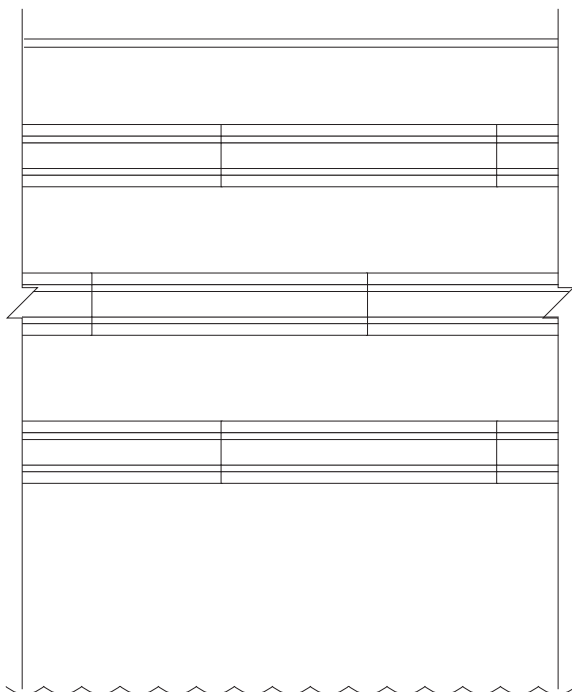

Designed for easy attachment to vessels and docks.

Drill and bolt fender to structure using the integral wings.

Eliminates need for mounting holes on the facing. Offered in three EPDM colors: black, non-marking grey and white.

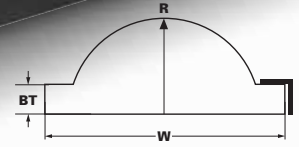

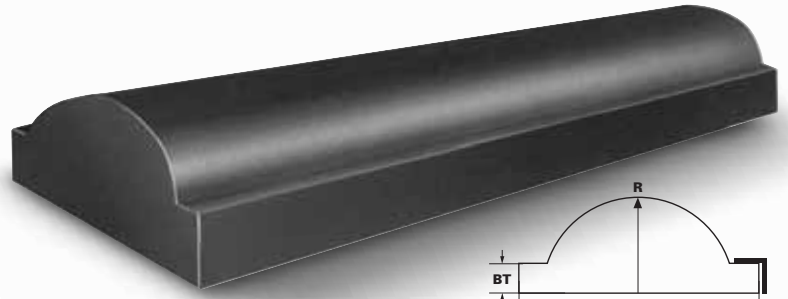

CODE NO.	DURAMAX® PART NO.	BASE WIDTH (W)	BASE THICKNESS (BT)	OUTSIDE DIAM. (D)	BORE DIAM.	WT./FT.	LENGTH UP TO
